Dear Parents/Guardians,

Can you believe we have reached the end of another school year? I am so proud of each and every one of our pupils and parents for your resilience, patience and positivity. We really do have a wonderful spirit here in Drumcondra N.S and I thank everyone for all their hard work.

May and June have been very busy months. We started Spanish lessons which the children really enjoyed. Children from 4th – 6th competed in the Santry school athletics event while the classes from 3rd to 6th participated in the 'Cluster Cup' which was an inter school soccer competition from teams in the local area. For the sponsored walk, infants walked from the school to Griffith Park while 1st to 6th walked up Grace Park Road, looped around through Mobhi Drive, visited the Botanic Gardens, continued into the park and then back to school. As an added note, caterpillars were born in Ms. Neale's class which the children (and staff) thought was amazing! Ms. Taggart's worked extremely hard at achieving our Green Schools Flag, while Mr. Rogers and Melanie Taylor (our EAL teacher) worked diligently in preparing our SET Review inspection. This week we had a fantastic day at Funtasia as well as an extremely active Sports Day!

This year's graduation service was incredibly moving as we celebrated (and said goodbye to) our 6th Class students who will be starting their new journey in secondary school. Thank you, Cole, Sonny, Aisling, Tom, Oliver, Simas, Hannah, Zara, Sonny, Billy and Oisin. We wish you all the best next year and we will miss you!

Finally, a big goodbye to Ms. Taggart who is moving back up North to Belfast, we wish her all the best and will miss her! I wish everyone a happy, healthy, and safe summer. Remember to go outdoors and spend as much time as possible with your friends and family.

Kind Regards,

Karl Lawless
Acting Principal
